“

I just want to say - you guys have been servicing us since day 1 (over 25 years) and I can't thank you enough. You guys rock it. You really do, I mean like 99.9 percent of the time everything is perfect. There are never any complaints. The sizes are always on. Delivery on time. It couldn't work out any better. Can't thank you enough for all the years of service you have given us. It has been awesome. It really has. You guys never let up. Thanks a lot.

I want you to know how much I have valued both of you and so many other employees at A1 for always making me look good! Seriously though...the efficiency, precision and willingness to go the extra mile for your customers has made A1 the BEST - absolutely the BEST - supplier I have worked with in my tenure here. Of the thousands of orders we have placed, the tens of thousands of linens we have purchased, I can count on one hand the mistakes or other issues we've had in the last 24 years, and on those few occasions, you found a solution immediately and made it right. That's a pretty amazing track record! Thank you!

”
